

SAFETY NOTICE

Johannesburg Water has numerous infrastructure upgrading projects across the City of Joburg to improve services. We need your cooperation and vigilance around some of these hazardous sites to prevent injuries and fatalities.

We urge you to:

- Prevent children from playing inside or next to our construction sites;
- Cooperate with the contractor and traffic controllers;
- Enter construction sites if only authorized to do so;
- Report any unauthorized removal of safety barricade or signage;
- Report safety non-conformance by the contractor to the Community Liaison Officer or Ward Councilors.

For a full list of construction sites visit our website <https://www.johannesburgwater.co.za/resource-centre/>
